**How can you help? (1) Continue to bring personal care items for the Health Fair every Sunday. (2) If you are in the Health Care or Pharmaceutical industry, please join us February 9, 2006, @6PM in the Center to help plan the Health Fair. The fair is being planned to benefit the entire OLG community. (3) Watch for the *Change for Change* Campaign coming in February. (4) Please consider getting involved in a ministry or organization. Instead of just “giving up” something for Lent – consider taking action and helping in the parish.**
